

NEW Marshall Springs School Bus Zones – September 2025

Due to an increase in enrollment and Alberta Education changing the calculation for walk and bus zones, MSS will have more school busses this year.

The School Bus Zones are noted below (in green on map):

- Everridge Dr. (Main entrance doors to staff parking lot).
- Everoak Dr. (West side of school from cross-walk to mail boxes).

These school bus zones are clearly marked with no parking signs and defined school bus zone hours. Parents/guardians are not to be parked in school bus zones before, during, or after school during designated times.
